

Certificate of Conformity of the Factory Production Control GB22/00000233

In compliance with the Construction Products Regulation 2011 (retained EU law EUR 2011/305) as amended by the Construction Products (Amendment etc.) (EU Exit) Regulations 2019 and the Construction Products (Amendment etc.) (EU Exit) Regulations 2020, this certificate applies to the construction product(s)

Heavy Steel Fabrication in the rolling, bending and pressing of heavy plate.

placed on the market under the name or trademark of

Gray Fabrication Limited

Cupar Trading Estate, Cupar Fife KY15 4SX United Kingdom

and produced in the manufacturing plant(s)

Gray Fabrication Limited

Cupar Trading Estate, Cupar Fife KY15 4SX United Kingdom

has been assessed and certified as meeting the requirements of

EN 1090-1:2009+A1:2011

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s) under system 2+ for the performances set out above are applied and that the factory production control fulfils all the prescribed requirements for these performances.

This certificate is valid from 05 July 2022 until 05 July 2025 and will remain valid as long as the test methods and/or factory production control requirements included in the designated standard, used to assess the performances of the declared essential characteristics, do not change, and the construction product and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the factory production control certification body.

Issue 1. Certified since 05 July 2022

Certified activities performed by additional sites listed on subsequent pages.
